

WEBINAR GUIDE FOR VIEWERS

- Log on at 12:15 to the Webcast at the distributed URL.
- Sign in as a guest; you may enter your name.
- If you are not on the UCD campus, you must:

-Select meeting at the top of your screen,

-Manage my settings,

-My connections speed,

-Change your connection speed to cable/DSL. (For optimum viewing)

- There will be boxes to the left of the screen, should you choose to chat/ask a question. Enter your comments in the allowed area.

ATTENTION: Your comments in this box will default to everyone unless you make the change to send your comment to the presenter/host.

- Comments/questions will be deleted or answered at the host's discretion.
- Please be advised that there is up to a 25 second delay before questions reach the host. We will respond accordingly.
- You must enter your first and last name for CME credit submission.

TIP: You may have difficulty re-opening the video stream of the speaker if you close it/minimize.

Please notify Diane Nash at Diane.Nash@ucdenver.edu with problems you had with the webcast and information that may be of assistance with future Webcasts or if you would like a DVD of the recording.
